

How the Partnership works for You...

You have a business stake in the future of Boone County which can best be served by working as partners through the Chamber of Commerce to protect and advance all Belvidere Area businesses.

The Belvidere Area Chamber of Commerce is an association of business people concerned about improving the Belvidere Area and willing to actively do something to achieve this goal.

The Belvidere Area Chamber of Commerce is a central source of information about the products, services, facilities and other resources offered in the Belvidere Area. This information is given to individuals who write, call or visit the Chamber office.

The Chamber's strength lies in its membership base. Both large and small businesses from Boone County and the Rock River Valley Region are represented. This diversity influences the direction of the Chamber's programs and services. These programs and services are financed by membership investments in the Chamber.
